S.M.A.R.T REPAIR SPECIALISTS

S.M.A.R.T REPAIR, SMART BUSINESS

Our Mission Statement:

"Through continual employee development and repair technology innovation, we push the boundaries of S.M.A.R.T Repair to make amazing experiences possible for every single customer."

"We are focussed and committed to delivering high quality, cost effective S.M.A.R.T Repairs and providing a first class experience that makes our customers feel welcome and valued."

Founded in 1997, Automotive Repair Systems has been delivering a high quality, reliable and cost effective repair service to the motor trade. With our mission statement permanently in our thoughts, we have expanded the company to incorporate all aspects of S.M.A.R.T Repair. As we continue to expand our geographical coverage, this has made us the only "One Stop Shop" provider of S.M.A.R.T Repair services in the United Kingdom and United Arab Emirates.

S.M.A.R.T PROFESSIONALS

S.M.A.R.T Repair needs the right team, the right expertise and the right attitude. We have worked relentlessly to assemble a growing team of experts, all of whom have had many years of experience in their specialist field.

And we take "expertise" at Automotive Repair Systems really seriously. It means we are knowledgeable, we are skilful and more importantly, we deliver. S.M.A.R.T Repair isn't easy but with our deep know-how, history and credibility, we continue to deliver flawless repair work across the country every day.

DEDICATED TO EXCELLENCE

CONFIDENCE AND COMMITMENT

Our team are fully committed to providing our customers with an industry leading level of customer service.

- ✓ You can expect us to be welcoming, courteous, polite and respectful
- ✓ We will always be helpful and responsive, clear in our communication, and will keep you informed at all times
- ✓ We will aim to provide high quality information that is suited to your individual needs
- ✓ All of our technicians are industry trained and accredited

OUR GUARANTEE

At Automotive Repair Systems we use legal, market leading compliant products that are OEM approved. We are so confident in the quality and longevity of our repairs that we offer a lifetime guarantee on all of our Paint Repairs, Alloy Wheel Refurbishments and Paintless Dent Removal.*

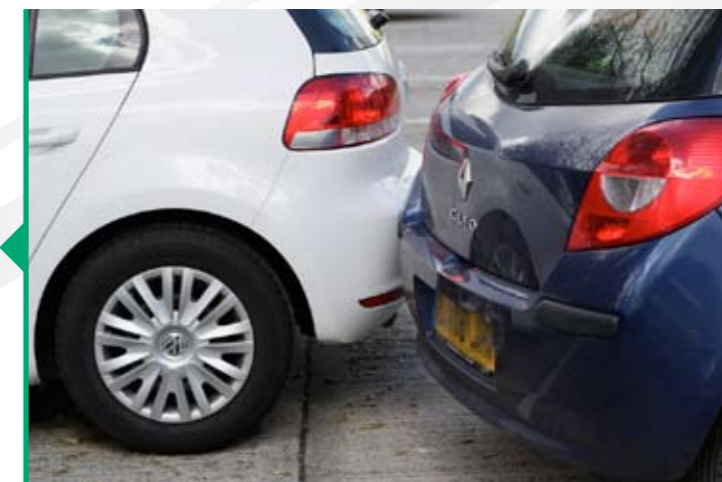

*Does not include diamond cut alloy wheel refurbishment. Subject to terms and conditions.

INSURANCE APPROVED

The quality of S.M.A.R.T Repair is now so high that it has become a recognised means of repair by the Insurance Industry. So much so, in fact, that S.M.A.R.T Repair Insurance policies are now prevalent throughout motor sales departments nationwide.

We are well placed to cater for this type of repair and are approved by many leading insurance providers.

SAFETY FIRST

We pride ourselves on our rigorous approach to health and safety, which is becoming increasingly more important for both us and our customers. With a dedicated Health and Safety Officer we ensure that our work practices are second to none and we are always up to date with the current legislation.

TRADE SOLUTIONS

MOBILE REPAIR: WE COME TO YOU

When you need us, we come to you. Our fleet of mobile S.M.A.R.T Repair vans are fully equipped with the latest technology, including paint extraction systems, colour schemes and weather control apparatus.

SERVICE CENTRES: YOU COME TO US

Our environment-controlled work centres, based in Orpington and Liverpool, offer both trade and retail customers the opportunity to leave their cars with us while our bodyshop-trained technicians work their magic.

DIAMOND CUT DIVISION: AT THE CUTTING EDGE

In recent years we have invested heavily in our Diamond Cut and Powder-Coat Division (DCD) to ensure that we stay one step ahead of the competition.

With diamond cut wheels becoming ever more commonplace throughout all brands we now really are your ultimate "one-stop shop".

TRADE COLLECTION & DELIVERY: DAILY SERVICE

We understand the importance of "great service", so unlike other providers we offer all of our trade customers a free, daily collection and delivery service for all types of alloy wheel repair.*

* Terms and conditions apply.

S.M.A.R.T RETAIL

How much profit would you like to add to your dealer group bottom line? £30,000? £50,000? Maybe £100,000 or more a year?

Over the years, we have developed and perfected a unique up-sell opportunity for Group Aftersales Departments that is both unique and unrivalled.

The concept provides an additional and welcome revenue stream to your business, offering the option of same-day repairs. With customer vehicles being serviced and repaired quickly and efficiently, the opportunity means minimum of effort from your team - maximum profit for your business.

We have a proven track record in implementing S.M.A.R.T Retail into the dealer group network, with no financial outlay.

S.M.A.R.T REPAIR BOOTH

The S.M.A.R.T Repair Booth is a breakthrough in flexibility for dealerships who have large volumes of repair work and can see the opportunity in S.M.A.R.T Repair as a valuable revenue stream for their business.

Subject to volume, we are able to offer dealers and de-fleeting organisations our S.M.A.R.T Repair Booth free of charge, with a fully trained and accredited S.M.A.R.T Repair technician.

The S.M.A.R.T Repair Booth offers the best of both worlds - the speed and affordability of S.M.A.R.T Repair, along with the quality, finish and all year round availability of a traditional bodyshop.
